PREAMBLE

The Board of School Trustees of Lyon County School District supports the cooperative development of a professional negotiations agreement with the Lyon County Education Association. It is our sincere belief that such an agreement is in the best interests of our students in as much as the kinds of things that will be mutually considered and subsequently agreed upon will improve the educational environment of our professional staff members and thus increase the effective and efficient operation of our schools. This, in turn, will be of great benefit to the students to move us closer to our stated goal of providing a quality educational program for the children of the Lyon County School District.

We believe that this mutually developed agreement must fall within the framework of all constitution, statutory and legal provisions of the State of Nevada and, therefore, designate this effort as a Professional Negotiations Agreement.

The parties seek to educate young people in the democratic tradition, to foster recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality. It is recognized that these democratic values can best be transmitted in an atmosphere, which is free from academic censorship and restraints upon free inquiry and learning within the framework of morals and public taste.

This agreement is adopted by and between the Lyon County School District in the City of Yerington, County of Lyon and State of Nevada and the Lyon County Education Association.

WHEREAS, the Lyon County Boards of School Trustees in the City of Yerington, County of Lyon, State of Nevada and the Lyon County Education Association, the parties of this Agreement, recognize and declare that providing quality education for the children of the District is their mutual aim and that the character of such education depends predominantly upon the quality of the morals of the teaching staff, and

WHEREAS, the members of the teaching profession are particularly qualified to assist in formulating policies and programs designed to improve educational standards, and

WHEREAS, members of the teaching staff in the District have the right to join or not to join any organization for their professional or economic improvement.

WHEREAS, a free and open exchange of views is desirable and necessary by and between the parties hereto in their efforts to negotiate in good faith with respect to wages, hours, and conditions of employment.

WHEREAS, except as specifically modified by this Agreement, the School Board retains, without limitations, all powers, rights and authority vested in it by N.R.S. rules and regulations, including but not limited to:

- 1) Direct its employees;
- 2) Hire, promote, classify, transfer, assign, retain, suspend, demote, discharge or take disciplinary action against any employee;
- 3) Relieve any employee from duty;
- 4) Maintain the efficiency of its operations;
- 5) Determine the methods, means and personnel by which its operations are to be conducted;
- 6) Take whatever actions may be necessary to carry out its responsibilities in an emergency.

NOW, THEREFORE, IT IS AGREED.

Each Site team shall decide how this resource will be allocated according to its own governance procedures. By November 1st, of each school year, the School Improvement Team will submit a budget to the District outlining all expenditures of the SIP funds which will be signed by all Core Team members and the principal.
